# pmg.

# Is Your Information Fit for Purpose or Full of Fluff?

**1**

## Purge the Clutter
Start with clean data—ditch duplicates and inaccuracies like bad habits!

**2**

## Source Safari
Gather insights from diverse sources—don't settle for just one!

**3**

## Automation Ace
Leverage tools to automate updates; let technology do the heavy lifting!

**4**

## Relevance Radar
Zero in on key insights; relevance trumps quantity every time!

**5**

## The Maintenance Mindset
Regular reviews keep your data sharp—don't let it gather dust!
